

AZO Anwendungszentrum GmbH Oberpfaffenhofen

AZO Anwendungszentrum GmbH Oberpfaffenhofen is an international networking and branding company for the European space programmes. We support the development of new products and company foundations via a worldwide partner network and organise the Innovation Masters Series, the most important space-related innovation competitions. Our customers are, amongst others, the **European Space Agency (ESA)**, **AIRBUS**, the **German Aerospace Center (DLR)** and the **European Commission (EC)**. Headquartered at the Space Hub in Oberpfaffenhofen, we manage one of the leading incubators in Europe, the **ESA BIC (Business Incubation Centre) Bavaria**.

To strengthen our **ESA BIC team** in Oberpfaffenhofen we are looking for:

Interns (f/m/n)

Duties & Responsibilities:

- Scouting and researching of potential new startups
- Support of two project managers in their daily work
- Direct communication with current and former founders and startups
- Event planning / event execution support
- Marketing support
- ...and much more!

Successful candidates will have:

- University studies in the field of Business, Management, Geography, Technology or similar
- Ability to work autonomously, reliable and committed
- Very good MS Office knowledge
- Proficiency in English and excellent German skills, both written and spoken
- Flexibility, good communication skills, service orientation
- Interests in startups, innovation, entrepreneurship, incubation, acceleration

What we offer:

- Exciting activities in an international environment
- Highly committed, motivated & young team
- Appropriate remuneration
- Up to 20 working hours per week while you are studying
- Flexible working hours

Curious? Then get to know us! Please send your CV (no cover letter needed) with your possible start date via email to Mrs. Stefanie Herrmann at stefanie.herrmann@azo-space.com.
