

AZO Anwendungszentrum GmbH Oberpfaffenhofen

AZO Anwendungszentrum GmbH Oberpfaffenhofen is an international networking and branding company for the European space programmes. We support the development of new products and company foundations via a worldwide partner network and organise the Innovation Masters Series, the most important space-related innovation competitions. Our customers are, amongst others, the **European Space Agency (ESA)**, **AIRBUS**, the **German Aerospace Center (DLR)** and the **European Commission (EC)**. Headquartered at the Space Hub in Oberpfaffenhofen, we manage one of the leading incubators in Europe, the **ESA BIC (Business Incubation Centre) Bavaria**.

To strengthen our **project team** in Oberpfaffenhofen we are looking for:

Interns (f/m/n)

Duties & Responsibilities:

Interns will work within the project management teams of the competitions to ensure the success of the competitions. Specific day to day responsibilities include:

- Co-ordination and organisation of international events, workshops and conferences
- Telephone and written correspondence with partners and external service providers
- Researching and interviewing former participants and winners of the competition (with a focus on the development of ideas, the impact of the innovation competition on the economy, and the founding of new companies in the Aviation, Aerospace and Satellite Navigation industries)

Successful candidates will have:

- Studies in relevant fields
- Good communication skills
- Ability to write and speak both professionally and accurately
- Very good knowledge of spoken and written English
- Very good knowledge of MS Office, in particular Word and PowerPoint
- Ability to work autonomously, be reliable and show commitment

What we offer:

- Work directly with the respective project managers
- Creative freedom
- High individual responsibility
- Possibility of specialisation in the context of a bachelor or master thesis
- Monthly salary: EUR 500

Curious? Then get to know us! Please send your CV (no cover letter needed) with your possible start date via email to Mrs. Stefanie Herrmann at stefanie.herrmann@azo-space.com.
